In this book we speak of results which are abnormal. If the Almighty Spirit moves in sovereign power on the hearts and consciences of men the outcome must be above the normal. In his introduction to Miss Dyer's Revival in India, Dr. A.T. Schofield says: "One thing to be borne in mind is that since the days of Pentecost there is no record of the sudden and direct work of the Spirit of God upon the souls of men that has not been accompanied by events more or less abnormal. It is, indeed, on consideration, only natural that it should be so. We cannot expect an abnormal inrush of Divine light and power, so profoundly affecting the emotions and changing the lives of men, without remarkable results. As well expect a hurricane, an earthquake, or a flood, to leave nothing abnormal in its course, as to expect a true Revival that is not accompanied by events quite out of our ordinary experience."

The early years of ministry in Henan proved difficult, and the powerful revival that God brought to China through the Goforths in the early 20th century almost never took place. He didn't believe teenage boys could possibly perform the kinds of sins and depravity that they were confessing. great story May 06, 2015 jeffrey h said:
